

A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$2.7 million in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Centennial has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

Our Local Charities

- American Heart Association Heart Walk

- CASA of Collin County
- Collin College Foundation
- Frisco Cares Clinic
- Frisco Education Foundation
- Frisco Family Services
- Frisco Independent School District
- Frisco Fire Department
- McKinney Fire Department
- Relay for Life

Centennial Medical Center

We care completely at Centennial Medical Center, where your family's total wellbeing is our reason for being. Located off Highway 121 and Coit Road, Centennial offers an array of services ranging from maternity, radiology and pediatrics to sophisticated services such as neurosurgery, open heart surgery and the latest procedures in joint replacement. We also have a 12-bed critical care unit to care for the most critical patients.

Our emergency department is fully accredited by the Society of Chest Pain Centers because of our commitment to high standards and quality of care that helps ensure our patients are neither sent home too early nor needlessly admitted during a coronary event. We are staffed with board-certified ER physicians, and our wait times are half the national average!

Centennial has all-inclusive maternity services that include a variety of classes, tours and support to help you prepare for what to expect when you're expecting. We have private LDR suites, mom/baby rooming, care packages, as well as a Level III Neonatal Intensive Care Unit to ensure the best possible care in any circumstance.

Absolute care from absolute caregivers. It's why Centennial employees and physicians take tremendous pride in delivering the utmost compassion and care to all who enter our doors.
