

A Community Partner

We are committed to providing quality care to our communities. As a part of an investor-owned hospital system, we pay more than \$1.7 million in local taxes that go toward the bettering of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Florida Medical Center has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

Our Local Charities

- American Veterans for Equal Rights

North Shore Medical Center FMC Campus

North Shore Medical Center FMC Campus is an acute care hospital founded in 1973 and fully accredited by The Joint Commission.

Located at 5000 West Oakland Park Boulevard in Fort Lauderdale in western Broward County, North Shore Medical Center FMC Campus offers a broad range of medical and surgical services.

Services include The Heart Institute of Florida, Advanced Primary Stroke Center, Chest Pain Center with PCI, 24-hour emergency services with a dedicated psychiatric ER.

Additional services include orthopedic, neurology and neurosurgery, urology, psychiatry, women's services, imaging and diagnostic services, bloodless medicine*, diabetes education, sleep lab, outpatient services, pain and wound care.

* "Bloodless" means medical or surgical treatment without the use of banked (stored) allogenic blood or primary blood components. Blood loss often occurs during surgery. A bloodless program endeavors to minimize blood loss by utilizing special blood conservation methods.
