Frye Regional Medical Center

Frye Regional Medical Center is an acute care facility that has been servicing the medical and health care needs of Catawba County and central western North Carolina since 1911.

The hospital's main campus includes a comprehensive heart center, accredited cancer center and bariatric surgery program, orthopedics, inpatient and outpatient rehabilitation, neurosciences, a women's center with level III nursery, a neonatal transport team, and pediatrics.

FryeCare Physicians, LLC provide hospitalists and critical care coverage. Frye has several extended campuses to serve families throughout the area, including FryeCare Outpatient Imaging Center, FryeCare Pulmonology, Cardiopulmonary Rehabilitation, Infusion Care, Vein and Wound Center, Piedmont Therapy, offering sports and industrial rehabilitation; South Campus for psychiatric services; The Frye Wellness and Education Center houses an accredited Center for Diabetes Self-Management Care, perinatal education and community wellness classes; Tate Surgery Center; Unifour Pain Treatment Center; and two urgent care facilities—FryeCare Urgent Care in Conover and Hudson.

For employers, Frye provides industrial health services through Hart Industrial Clinic.
