

A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$1.3 million in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, North Shore Medical Center has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

Our Local Charities

- American Cancer Society
- American Heart Association
- Best Buddies
- Miami-Dade County Fire Rescue
- Haitian-American Physicians Abroad

North Shore Medical Center

North Shore Medical Center has been serving the medical and health care needs of its community for more than 58 years.

North Shore Medical Center offers a broad range of services, including 24-hour emergency care with Fast Track service, maternity, Northern Dade County's only Level III neonatal intensive care unit, and psychiatric services.

The hospital also offers specialized centers, including the C. Gordon Griffith Cancer Center with IMRT and X-Knife Radiosurgery, Certified Diabetes Center, Intensive Care Unit, Wound Healing Center, Sleep Disorders Center, Certified Advanced Primary Stroke Center and Pain Care

North Shore Medical Center

"Bloodless" means medical or surgical treatment without the use of banked (stored) allogenic blood or primary blood components. Blood loss often occurs during surgery. A bloodless program endeavors to minimize blood loss by utilizing special blood conservation methods.
