

A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$70,000 in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Sylvan Grove Hospital has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

Sylvan Grove Hospital

Sylvan Grove Hospital has been serving the needs of Butts County since 1962.

As a critical access hospital, Sylvan Grove provides initial inpatient care and treatment for illnesses and injuries. Sylvan Grove Hospital also features an Inpatient Swing Bed Rehabilitation Program that allows patients who need more rehabilitative care to remain at a hospital rather than being transferred to a long-term care facility.

The hospital includes an emergency room and a wide range of outpatient services including physical, occupational and speech therapy, and diagnostic services.
