

## A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$4 million in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Atlanta Medical Center has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

## Our Local Charities

- AID Atlanta
- Atlanta Police Foundation
- Center Helping Obesity in Children End Successfully
- Center for Positive Aging
- Students Without Mothers
- MedShare International
- Salvation Army Boys & Girls Club
- The King Center

## Atlanta Medical Center

Atlanta Medical Center is located at 303 Parkway Drive in Atlanta. Atlanta Medical Center has been serving the medical needs of the community and region since its founding in 1901.

Specialties include advanced surgery, bariatric (weight loss) surgery, cardiology, neurology, oncology, women's health, orthopedics, trauma, wound care and rehabilitation. The Level II trauma center is supported by aeromedical services providing immediate transportation to critical patients throughout the state.

The hospital campus also includes a cancer center, The Specialty Clinic, which treats diabetes and hepatitis C; Sheffield HealthCare, a neighborhood community health center; as well as the Wellness Center, which houses the Highland Athletic Club, The Spine Specialists and outpatient rehabilitation program.
