

A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$2.6 million in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Creighton University Medical Center has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

- Project Harmony
- WELCOM
- Visiting Nurses Association

Creighton University Medical Center

Creighton University Medical Center (CUMC) is one of the region's premier academic medical centers and one of the largest health care providers in Nebraska.

The organization includes Saint Joseph Hospital; Creighton University Schools of Medicine, Nursing, Dentistry, and Pharmacy and Health Professions; and Creighton Medical Associates, a network of nearly 300 faculty physicians who practice in clinic locations throughout Nebraska and Iowa.

CUMC is known for its centers of expertise in cardiac care, cancer care, trauma, minimally invasive surgery, high-risk OB, and blood conservation and surgery. Its trauma center is the oldest and one of the busiest in the state, and the medical center offers a freestanding facility dedicated to cardiac care.
