## A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$2.9 million in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Frye Regional Medical Center has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

## Frye Regional Medical Center

Frye Regional Medical Center is an acute care facility that has been serving the medical and health care needs of Catawba County since 1911.

The hospital's main campus includes a comprehensive heart center, accredited cancer center and bariatric surgery program, orthopedics, inpatient and outpatient rehabilitation, restorative care unit, neurosciences, a women's center with level III nursery, a neonatal transport team, and pediatrics.

FryeCare Physicians, LLC provide hospitalists and critical care coverage. Frye has several extended campuses to serve families throughout the area, including FryeCare Outpatient Imaging Center, Cardiopulmonary Rehabilitation, Infusion Care, Vein and Wound Center, Piedmont Therapy, offering sports and industrial rehabilitation; South Campus for psychiatric services; The Frye Wellness and Education Center houses an accredited Center For Diabetes Self-Management Care, perinatal education and community wellness classes; Tate Surgery Center; Unifour Pain Treatment Center; and two urgent care facilities.

For employers, Frye provides industrial health services through Hart Industrial Clinic, and Oakwood Place, an outpatient substance abuse program.
