

## A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$580,000 in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Placentia-Linda Hospital has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

## Placentia-Linda Hospital

Placentia-Linda Hospital has been proudly serving the community with compassionate and professional care since 1972.

We want our guests to be 100 percent satisfied, while also receiving the best possible quality care. We take special pride in our customer service, including a rose at the bedside and a newspaper for each guest.

Our specialties include a 24-hour emergency department, G.I. Center, orthopedic and joint replacement services, general and minimally invasive surgery, diagnostic and imaging services, as well as a comprehensive free health program for seniors.

Placentia-Linda Hospital is also fully accredited by the Joint Commission, the nation's oldest and largest hospital accreditation agency.
