

A Community Partner

We are committed to providing quality care to our communities. As part of an investor-owned hospital system, we pay more than \$850,000 in local taxes that go toward the improvement of local infrastructure and community programs.

We take the complex issues facing the uninsured very seriously. As such, Twin Cities Community Hospital has adopted Tenet's Compact With Uninsured Patients policy. The program offers discount rates to all uninsured patients who receive treatment at our hospital, regardless of their income level.

Our Local Charities

- Cuesta College
- Arthritis Foundation
- American Cancer Society - Relay for Life
- Wellness Community
- North County Women's Shelter & Resource Center
- Senior Volunteer Services - Rides 4 Seniors
- Alliance for Lupus Research
- North County Public Schools
- Transitional Food & Shelter

Twin Cities Community Hospital

Twin Cities Community Hospital has provided personalized, quality patient care as the cornerstone of its operating philosophy since opening in 1977.

Twin Cities Community Hospital's new patient tower, which opened in fall 2007, provides 30 new private rooms for obstetrics, intensive and telemetry care patients and 23 ER suites, including three trauma rooms. The hospital provides a broad range of medical, surgical and outpatient care.

Working closely with affiliated physicians, Twin Cities places special emphasis on clinical services important to local residents, including hip and knee replacement, surgical care, stroke intervention, emergency care and maternal child services.
