

TENET HEALTHCARE CORPORATION'S  
QUALITY, COMPLIANCE AND ETHICS PROGRAM CHARTER

Updated November 2, 2016

PREAMBLE

Tenet Healthcare Corporation (“THC”) hereby sets forth this Charter for its Quality, Compliance and Ethics program for Tenet<sup>1</sup>. Tenet’s adherence to the provisions of this Charter is intended to (1) support and maintain THC’s and Tenet’s present and future responsibility with regard to participation in federal health care programs; (2) further THC’s goals of establishing an organization that (a) fosters and maintains the highest ethical standards among all Tenet employees, officers and directors, physicians practicing at Tenet facilities and contractors that furnish health care items or services; (b) values its compliance with all state and federal laws and regulations as a foundation of its corporate philosophy; and (c) aligns with Tenet’s core values of quality, integrity, service, innovation and transparency. The primary focus of the Tenet Ethics and Compliance Program is on the requirements of Medicare, Medicaid and all other federal health care programs. This Charter shall apply to any facility or business in which Tenet owns an interest of more than 50% or for which Tenet manages the day-to-day operations of the facility or business.

---

<sup>1</sup> As used in this Charter, “Tenet” shall refer to subsidiaries and/or affiliates of Tenet Healthcare Corporation. The facilities and business units that provide healthcare items or services described in this Charter are owned and/or operated by subsidiaries or affiliates of Tenet Healthcare Corporation.

In addition, On September 30, 2016, Tenet HealthSystem Medical, Inc., the Criminal Division of the U.S. Department of Justice and the U.S. Attorney's Office for the Northern District of Georgia entered into a Non-Prosecution Agreement ("NPA") setting forth certain obligations and requiring the appointment of an independent compliance monitor (the "Monitor") to assess, oversee and monitor Tenet's compliance with the obligations of the NPA and to review and monitor the effectiveness of Tenet's compliance efforts with respect to the Anti-Kickback Statute and Stark Law. During the performance of their duties for Tenet, Tenet employees, contractors, agents and members of the THC Board of Directors are required to cooperate with all requests of the Monitor and adhere to the provisions of the NPA, the Tenet Standards of Conduct, Tenet policies and procedures and the requirements of the Quality, Compliance and Ethics Program Charter as described below.

## I. QUALITY, COMPLIANCE AND ETHICS PROGRAM

The Tenet Quality, Compliance and Ethics Program includes the following:

1. *Quality, Compliance and Ethics Committee of the Board of Directors.* THC's Quality, Compliance and Ethics Committee of the Board of Directors ("Board QCE Committee") is comprised of at least three outside directors of THC's Board of Directors. The Board QCE Committee is responsible for the review of matters brought to its attention or information requested related to Tenet's Quality, Compliance and Ethics Program.

- a. The Board QCE Committee shall provide oversight of the Tenet Quality, Compliance and Ethics Program.

b. The Board QCE Committee shall consider on a periodic basis (or, as appropriate, on an *ad hoc* basis), reports from the Tenet Chief Compliance Officer, Chief Clinical Officer and other Tenet sources (including the Tenet Management Quality, Compliance and Ethics Committee) that also are responsible for monitoring and addressing quality, compliance and ethics issues. The Board QCE Committee shall be responsible for oversight of the adequacy of the budget of the Tenet Ethics and Compliance Department (“Ethics and Compliance Department”) so that its budget and funding are sufficient to meet its annual needs as set forth in the annual work plan of the Ethics and Compliance Department. The Board QCE Committee shall meet at least quarterly and shall keep a record of its proceedings for review by the full Board of Directors as appropriate.

2. *Chief Compliance Officer.* Tenet has a Chief Compliance Officer who is responsible for the management and operations of the Ethics and Compliance Department. The Chief Compliance Officer shall be a senior officer of Tenet and shall report directly to the Board QCE Committee, as well as to Tenet’s Chief Executive Officer (“CEO”) for administrative purposes.

a. The Chief Compliance Officer shall make regular (at least quarterly) reports regarding compliance matters directly to the CEO and the Board QCE Committee. The Chief Compliance Officer shall be authorized to report to the Board of Directors (including the Board QCE Committee) at any time.

b. To further his/her Ethics and Compliance Program duties, the Chief Compliance Officer shall have the authority to monitor and perform risk assessments of the business and health care delivery activities engaged in by Tenet, Tenet employees, directors,

contractors, agents and staff physicians. The Chief Compliance Officer shall have the authority to establish a periodic reporting mechanism to fulfill his/her reporting obligations to the CEO and Board QCE Committee. The Chief Compliance Officer may also reasonably request and have access to any Tenet business record at any time in furtherance of the mission of ensuring Tenet's compliance with applicable federal and state laws and regulations and company policies.

c. The Chief Compliance Officer shall be responsible for developing an annual Compliance Work Plan and annual budget for the Ethics and Compliance Department and presenting such budget and Work Plan to the CEO and Board QCE Committee. The Ethics and Compliance Department shall be separate from the Tenet Law Department. The Chief Compliance Officer shall have the independent authority and budget to engage external legal counsel as the Chief Compliance Officer may deem necessary from time to time.

(3) *Ethics and Compliance Department.* Tenet's Ethics and Compliance Department, which is managed by the Chief Compliance Officer, is responsible for the operation of Tenet's Ethics and Compliance Program and for ensuring Tenet's compliance with all applicable federal and state laws related to federal health care programs. The Ethics and Compliance Department shall focus its efforts on overseeing compliance in eight key areas: (1) quality; (2) medical necessity; (3) qualified providers and staff; (4) providing care without financial incentives; (5) providing care in a licensed, accredited facility; (6) patient rights; (7) correct reimbursement; and (8) correct documentation, coding, charging and billing. Among its responsibilities, the Ethics and Compliance Department shall be responsible for (1) ensuring, in collaboration with the Tenet Law Department, facilitation of the Monitor's activities and compliance with the provisions of the NPA and related Tenet policies; (2) assessing, critiquing, and (as appropriate) drafting and distributing company policies and procedures; (3) developing, providing and tracking at least one

hour of ethics and compliance training to all new Tenet employees and, as appropriate, directors, contractors and agents within the first 30 days of employment/engagement and one hour of general refresher training each year thereafter; (4) developing, providing and tracking at least one hour of job-specific training to those who work in clinical quality, coding, billing, cost reporting and referral source arrangements, in collaboration with the respective department responsible for oversight of each of these areas, within the first 30 days of employment/engagement and one hour of job-specific refresher training each year thereafter; (5) developing, providing and tracking a total of two hours of annual training, which shall consist of one hour of ethics and compliance and one hour of clinical quality oversight to the members of each hospital governing board; (6) creating and disseminating the company's Standards of Conduct and obtaining certifications of adherence to the Standards as a condition of employment; (7) maintaining and promoting the Tenet Ethics Action Line (telephone hot line), which allows confidential reporting of issues on an anonymous basis and emphasizes Tenet's no retaliation policy; (8) responding to and ensuring resolution of all compliance-related issues that arise from the Ethics Action Line and compliance reports received from Tenet facilities and Compliance Officers (utilizing any compliance reporting software that Tenet may employ for this purpose) or any other source that results in a report to the Ethics and Compliance Department; (9) ensuring that appropriate corrective action and disciplinary action is taken by Tenet when non-compliant conduct and/or improper contractual relationships are identified; (10) monitoring and measuring Tenet's adherence to all applicable Tenet policies and legal and regulatory requirements related to federal health care programs; (11) directing a screening of individuals for exclusion from federal health care program participation as required by federal regulations and no less frequently than annually; (12) ensuring that any newly acquired facilities implement the requirements of the NPA as of the effective date of the acquisition, implement the Tenet Standards of Conduct within 30 days following the effective date of the

acquisition, and adopt Tenet ethics and compliance policies, systems and processes according to a plan and schedule developed by the Ethics and Compliance Department, but in no event later than 12 months following the effective date of the acquisition (with any necessary extensions or modifications to the plan and schedule to be approved by the Management, Quality, Compliance and Ethics Committee); (13) ensuring a database of all arrangements involving the payment of anything of value between Tenet and any physician or other actual or potential source of health care business or referrals to or from Tenet is maintained; and (14) overseeing annual audits of clinical quality, referral source arrangements, outliers, charging, coding, billing, and/or other compliance risk areas as may be identified from time to time. Audits may be conducted by Tenet's Audit Services Department, Quality Management Department or other appropriate internal or, as necessary, external audit resources. Significant audit results shall be reported to the Management Quality, Compliance and Ethics Committee, executive management and the appropriate Board committee. The arrangements database shall include documentation from legal counsel whether the arrangement meets a Stark exception and/or Anti-Kickback safe harbor, as applicable.

a. Ethics and Compliance Department Structure

The Ethics and Compliance Department shall be comprised of Regional Compliance Directors for each of Tenet's regions and Compliance Officers assigned to provide support to each of Tenet's facilities and business units. The Ethics and Compliance Department shall also be responsible for areas such as Ethics, Training, Policies and Procedures, Privacy and Security, Coding Compliance, Billing Compliance, and Foreign Corrupt Practices Act compliance. The Ethics and Compliance Department shall be independent, which means that (1) each member of the Department shall ultimately report to the Chief Compliance Officer with dotted line reporting to the senior leader of the applicable region/market, facility, or business unit; and (2) the Ethics and Compliance Department shall be responsible for all hiring, performance and compensation decisions for the members of its Department.

b. Coordination With Other Tenet Departments

The Ethics and Compliance Department shall interact and coordinate with the Tenet Law Department to facilitate information-sharing about compliance-related issues, including compliance-related legal matters such as legal audits, internal investigations, and external investigations of Tenet operations. The Tenet Ethics and Compliance Department will seek legal counsel, as appropriate, for legal advice and to protect the company's legal rights and interests. The Ethics and Compliance Department also shall coordinate with and have the cooperation of all other Tenet corporate departments, including (but not limited to) the following: Clinical Operations, Quality Management, Audit Services, Conifer, Finance, Human Resources and Government Programs to appropriately and adequately address and respond to Tenet's ethics and compliance-related issues. Under the oversight of the head of the Audit Services Department, the Audit Department shall periodically review the effectiveness of Tenet's Ethics and Compliance Program and shall report the results of such review to the appropriate Board Committee.

4. *Compliance Officers.* Tenet shall create and staff, as appropriate, the position of Compliance Officer ("Compliance Officer") responsible for its facilities and business units. Each Compliance Officer shall have sufficient management authority, responsibility, and resources to permit the effective performance of his/her duties. Each Compliance Officer is responsible, in coordination with the Chief Compliance Officer, the Regional Compliance Directors, and Ethics and Compliance Department, for implementation and oversight of Tenet's Ethics and Compliance Program at the relevant facilities or within the business unit, and compliance with Tenet policies and all applicable federal and state laws related to federal health care programs. The Compliance Officer's duties shall include the following: advising and directing facility or business unit employees (including senior executives) and contractors on Ethics and Compliance

Program matters, supporting the overall effectiveness of the Ethics and Compliance Program by providing input on applicable compliance-related policies and procedures, reporting on ethics and compliance-related issues to the Chief Compliance Officer (or his/her designee), the appropriate Regional Compliance Director, and senior facility or business unit executives, and serving as the information resource for ethics and compliance issues in the applicable facility or business unit.

5. *Regional Compliance Directors.* Tenet's Chief Compliance Officer shall be assisted by Regional Compliance Director assigned to provide support to each of Tenet's Regions. The Regional Compliance Director shall be responsible, in his/her respective Region(s), for supporting the efforts of the Chief Compliance Officer through: (a) collecting, aggregating, and ensuring timely receipt and distribution of Monthly Compliance Reports from Compliance Officers; (b) serving as a source of information and a point of contact for Compliance Officers regarding Tenet Ethics and Compliance Program matters; (c) assisting with the identification and assessment of hospital, regional, and company compliance risk areas; (d) assisting the Chief Compliance Officer, the Ethics and Compliance Program staff, and Compliance Officers with compliance training material and programs; (e) ensuring that each Compliance Officer performs a timely and thorough review of each ethics and compliance allegation and provides appropriate documentation for closure; (f) ensuring that each Compliance Officer is performing the duties required under the Compliance Officer's job description and (g) assisting the Chief Compliance Officer with Ethics and Compliance Program special projects. The Regional Compliance Director shall directly supervise the Compliance Officers in his/her Region(s).

6. *Chief Medical Officer and Chief Nursing Officer.* Tenet has a Chief Medical Officer and a Chief Nursing Officer who, under the direction of the President of Hospital Operations, are primarily responsible for the clinical management and operations of the Clinical

Operations Department. The Chief Medical and Nursing Officers shall be senior officers of the company. The Chief Medical and Nursing Officers shall make regular (at least quarterly) reports regarding clinical quality to the CEO and the Board QCE Committee of THC. The Chief Medical and Nursing Officers shall be authorized to report to the Board of Directors (including the Board QCE Committee) at any time.

7. *Clinical Operations Department.* Tenet's Clinical Operations Department is responsible for monitoring clinical quality at Tenet hospitals and facilities including patient safety, clinical audits, physician credentialing, privileging and peer review programs, evidence-based medicine programs, standards of clinical excellence, quality metrics on the balanced scorecard and other performance standards and oversight of utilization management and review.

8. *Executive Leadership Team Compliance Committee.* Tenet's Executive Leadership Team ("ELT") Compliance Committee shall be chaired by the Chief Compliance Officer and shall include, at a minimum, Tenet's Chief Executive Officer, the President of Hospital Operations, Chief Financial Officer, General Counsel, Chief Information Officer, Chief Human Resources Officer, Chief Medical Officer, Senior Vice President-Public Affairs and Chief Executive Officers of Tenet subsidiary business lines (e.g., Conifer, United Surgical Partners International). The ELT Compliance Committee provides executive management level oversight of the company's compliance with the legal and regulatory requirements of the federal health care programs. The ELT Compliance Committee shall meet at least quarterly and shall keep a record of its proceedings for review by the Board QCE Committee or the THC Board of Directors as appropriate.

9. *Management Quality, Compliance and Ethics Committee.* Tenet’s Management Quality, Compliance and Ethics Committee (“MQCE”) shall be chaired by the Chief Compliance Officer and shall include, at a minimum, the Chief Medical Officer, Chief Nursing Officer and representatives from the Law Department, Human Resources, Audit Services, and Government Programs.. The MQCE provides senior management level oversight of the company’s compliance with the legal and regulatory requirements of the federal health care programs. The MQCE oversees and advises on the effectiveness of the Ethics and Compliance Program and makes decisions on investments in the Program, which are communicated to Tenet’s QCE Committee for ratification as appropriate. The MQCE also provides the final review and approval of all Tenet policies and reviews the results of audits related to the quality, compliance and ethics program. The MQCE shall be familiar with Tenet’s ethics and compliance policies and procedures and shall monitor, with input from the Ethics and Compliance Department, all ethics and compliance-related issues that may have a material impact on the operations of Tenet. The MQCE shall meet at least quarterly and shall keep a record of its proceedings for review by the Board QCE Committee or the THC Board of Directors as appropriate.

10.

a. *Compliance Committees.* The Ethics and Compliance Department shall designate a Compliance Committee to assist the responsible Compliance Officer in implementing and overseeing the compliance program for each Tenet region/market, facility, and business unit.*Regional and Market Compliance Committees.* Each Tenet Region and Market shall have a Compliance Committee. The Regional or Market Compliance Committee shall be chaired by the designated Regional Compliance Director (“RCD”) or the Market Compliance Officer and shall include the CEO and CFO of the Region or Market, and other appropriate

senior level executives from the Region or Market (e.g., Quality, Human Resources, and Audit). The Regional Compliance Committees and Market Compliance Committees shall convene no fewer than ten monthly meetings every calendar year and shall keep a record of its proceedings for review by the Ethics and Compliance Department as appropriate.

b. *Hospital Compliance Committees.* Each Tenet hospital shall have a Hospital Compliance Committee (“HCC”). The Hospital Compliance Committee shall be chaired by the designated Compliance Officer for the hospital and include the hospital CEO, CFO, CNO, the Director of Human Resources, and other appropriate senior level executives from other hospital departments. The HCC shall meet no less frequently than quarterly and shall keep a record of its proceedings for review by the respective RCD and Ethics and Compliance Department as appropriate.

c. Business units that are not governed by a Regional, Market, or Hospital Compliance Committee shall convene compliance committees applicable to the business unit. The Compliance Committee shall be chaired by the Compliance Officer designated for the applicable business unit and shall include the senior leaders for the business unit (e.g., CEO, Finance, Operations, HR, Audit Services). The business unit Compliance Committees shall convene no less frequently than quarterly and shall keep a record of its proceedings for review by the Ethics and Compliance Department as appropriate.

11. *Compliance Program Obligations.* Each Tenet business unit and facility shall adhere to the requirements of this Charter. The requirements include:

(a) refunding all overpayments received from federal health care programs within sixty days of identification. An Overpayment means the amount of money Tenet has received, after applicable

reconciliation, in excess of the amount due and payable under any federal health care program requirement; (b) prior to employment, engagement or granting of privileges, screening all employees, contractors and active members of the hospital medical staff for exclusion from federal healthcare program participation as required by federal regulations; (c) reporting, through its respective compliance officer, the following in a compliance report, which shall be available to the Chief Compliance Officer and completed no less frequently than quarterly:
